How can you register?

You can find the registration link listed under each course.

PLEASE NOTE:

1. You can register for only **1 course** (either a BIP or a virtual course).
2. Carefully read the **PRACTICAL DETAILS** to check whether the course is intended for your level of study (the level during the time the course takes place).
3. We recommend discussing the **course recognition possibilities (especially credits)** with your faculty Erasmus+ coordinator.

Language requirements: English at B2 level.

The complete course offer and more information can be found at: <https://enlight-eu.org/index.php/students/courses>

ENLIGHT is an alliance of ten European universities – Ghent University, University of Bordeaux, Uppsala University, University of Groningen, University of the Basque Country, University of

Göttingen, University of Tartu, University of Galway, University of Bern, and Comenius University in Bratislava. The alliance was established to help build the foundation for an integrated European system of higher education.

The long-term vision is for the ENLIGHT alliance to transform into an integrated European higher education system without barriers in study, teaching, and collaboration by 2030.
