

ENLIGHT EQUITY INVITATION TO WORKSHOP: A JUST SUSTAINABLE CITY AUTUMN 2023

Uppsala University invites all ENLIGHT universities to participate in a workshop to develop more and stronger research and teaching links in the network around the theme of A Just Sustainable City.

This includes research on social and environmental sustainability that seek to adapt our cities in line with present challenges such as segregation, stronger democracy and climate change adaptation.

The proposed workshop span two days:
Day 1: Presentation of research projects.
Day 2: Teaching and course development.

Uppsala University will provide funds for housing and meals.
