

CARLiS Training program for PhD students is coming back, and this time on-site at Comenius University!

Are you a doctoral student thinking about the next steps in your career? Would you like to learn more about career opportunities in the private sector? Do you wish to develop a skill that will help you enter the labour market successfully? Would you like to learn more about the expectations of employers? Or what would it take to set up your own business? CARLiS Training for PhD. students is the right place to search for the answers to your questions.

AIM OF THE TRAINING PROGRAMME

The CARLiS Doctoral training aims to provide PhD students with an opportunity to develop the skills needed to explore different career paths in the life sciences, with an emphasis on careers in the private sector.

WHAT WE ARE PREPARING FOR YOU

The agenda of the Training programme will offer a mix of lectures, talks and practical exercises focusing on four areas: (1) career strategies, (2) knowledge transfer, (3) entrepreneurship and (4) soft skills. It will also provide networking opportunities. The whole event will be held in English.

Wednesday 5.10.2022 13:00-14:30	SOCIAL MEDIA AND MY CAREER The main goal of this course is to give the participants an overview of different Social Media platforms and an introduction to how to use them. (English Language)	REGISTRATION OPEN HERE
Wednesday 12.10.2022 10:00-12:00	BASICS OF IP PROTECTION This course aims to provide participants with a basic overview of intellectual property (IP) - types of IP, possibilities of IP protection and ways of commercializing IP. We will answer the questions of when IP is created, when it is necessary to apply for its protection (as well as choose an appropriate form of protection) and how IP can be financially valued. (Slovak Language)	REGISTRATION OPEN HERE
Monday 17.10.2022 10:00-11:30	ENTERING THE JOB MARKET IN LIFE SCIENCES The main goal of this course is to give participants an overview of the situation in the labour market. Specifically, the situation in the labour market in the area of the life sciences sector. During the course, regional specifics, companies aiming at job offers will be mentioned. (English Language)	REGISTRATION OPEN HERE

<p>Wednesday 19.10.2022 9:00-12:00</p>	<p>WELL-BEING AND CAREER We would like to dedicate the topic of the workshop to the discovery of resources and the development of the competences of the participants in taking care of their mental health. Abilities to identify and understand one's experiences, needs and frustrations. We will briefly explore the impact of values and discourses on our lives. Self-experience and discussion will be the main tools of the workshop. (Slovak Language)</p>	<p>REGISTRATION OPEN HERE</p>
<p>Wednesday 26.10.2022 9:00 - 17:00</p>	<p>PRESENTATION AND COMMUNICATION SKILLS The training is aimed at improving the presentation skills of the participants. We will focus on building up the presentation with regard to the audience and the purpose of the presentation. Training the individual delivery of the information will be the main activity during the training. It will be dynamic and fun, but at the same time very practical and useful. Think ahead to the topic you will work on during the training. (English Language)</p>	<p>REGISTRATION OPEN HERE</p>
<p>Wednesday 2.11.2022 16:00-18:00</p>	<p>TIME MANAGEMENT The seminar gives participants recommendations and examples of various methods for organizing their time and tasks. The goal of the seminar is to improve capabilities not only to work as individuals but also in team management. (English Language)</p>	<p>REGISTRATION OPEN HERE</p>
<p>Monday 7.11.2022 16:00-18:00</p>	<p>FROM IDEA TO VENTURE: TRANSFORM AN IDEA INTO A SUCCESSFUL VENTURE The aim of this module is to give participants a helicopter perspective on all aspects of the business model and show them a startup tool for iteration. These 2 tools will prepare them for a systematic validation approach. (English Language)</p>	<p>REGISTRATION OPEN HERE</p>
