Subject: COMENIUS UNIVERSITY GRANTS 2027

Dear Doctoral Students,

Pursuant to Internal Regulation No. 4/2025, "Full Text of Internal Regulation No. 1/2024, Rector's Directive of Comenius University Bratislava on the Principles for Awarding Grants of Comenius University Bratislava, as amended by Amendment No. 1", dated 24 February 2025, we hereby announce **the call for applications for Comenius University Grants for 2027**.

Applications may be submitted **from 20 October to 20 December 2026**. Applications must be submitted and processed exclusively electronically and bilingually, in Slovak and English. The bilingual requirement does not apply to international doctoral students, who may submit their applications in English only. The electronic application system will be available during the above-mentioned period on the following website: <https://link.uniba.sk/guk2027>.

Comenius University Grants are open to full-time doctoral students enrolled at the faculties of Comenius University within the standard duration of their studies. Doctoral students whose studies are carried out at an external educational institution are not eligible to apply. The grants are intended for individual applicants only; joint applicants are not permitted. The grant must be completed and the final report submitted before the completion of the doctoral studies. **For this reason, applications from doctoral students in the final year of their studies will not be included in the evaluation process.**

The number of Comenius University Grants awarded for 2027 and the amount of funding allocated will depend on the current budgetary situation and the financial resources available to Comenius University.

NOTICE FOR GUK 2026 GRANT HOLDERS

We would like to remind recipients of Comenius University Grants awarded in 2026 that, in accordance with the Rector's decision dated 18 March 2026, the allocated funds may be used **until 15 December 2026**. The grant must be financially closed by this date.

We would also like to remind grant holders that the electronic final report must be submitted **no later than 15 January 2027**.
